SELLER IS MOTIVATED to sell this Low Country Retreat with 4 acres of privacy and only 10 minutes from Bees Ferry Road. Quiet and beautiful, this home has room to grow. The kitchen has a built in wall oven and microwave while the island has a Jenn Air cooktop with down draft. Tile countertops and oak cabinets give a homey feeling which is fitting for a country home. All floors(except bathrooms which are tiled) are HARDWOOD and beautiful. The split floor plan offers master bedroom privacy from the other 2 bedrooms. The 4th bedroom is a very large room above the garage and just off of the kitchen. The style is homey and country-like. You can relax on the FULL LENGTH FRONT PORCH, HUGE DECK or in the SUN ROOM just off of the family room. The roof was replaced 3 years ago along with a new 4 ton A/C unit. The septic tank was redone with double drain fields 4 years ago and the well is 400 ft deep. The well pump has also been replaced this month. The stacked front loader washer and dryer can convey. The home is professionally landscaped and the outer areas are naturally wooded. Get away from it all and get a great deal!! If square footage is important - MEASURE!!For more information contact Stephanie Howard 843-224-5912.
