Belle Hall Gardens is a sixty-five unit condominium development located at Long Point Road and I-526. There will be four buildings. Each building is three stories and has 5 or 6 units per floor. Each building features commercial elevators and two sets of stairs. The development is situated on six acres and will be connected to Belle Hall Shopping Center via a proposed three hundred foot walking bridge over the marsh. Amenities to include pool, clubhouse, & garden & planter areas throughout development. There will be 5 garages offered per building on a first come first serve basis. Garage prices are \$15,000. Upgrades will be available. These luxury condominiums feature granite countertops, stainless steel appliances, gleaming hardwoods, and ceramic tile. Be a part of the most unique condo living in Mount Pleasant. Call Holly 843.514.2067 for showings and appointments. Site is under construction-this is a hard hat zone
