Fantastic corner lot with low maintenance all brick home

SALE PENDING!

Subdivision: JAMES ISLAND - Jamestown Estates

Sq. Ft.: 1955

Bedrooms: 3

Baths: 2Half-baths: 1

Fantastic corner lot with low maintenance all brick home. Has been lovingly cared for with lots of updates & preservation of good old 1960's construction materials like "REAL" hardwood floors in primary living space; classic knotty pine real wood paneling creating a true study feeling in the Study, exposed brick in Bonus room area & large laundry room and retro tile in bathrooms that is in such high demand today. Updates include stainless steel appliances & ceramic tile in kitchen & movable European cabinets with slide out shelving for lots of additional storage and counter space, freshly painted a neutral tone throughout - NEW carpet in Bonus room and large (18 x 19) Master Bedroom - NEW ceramic flooring & pedestal sink in Hall Bath, NEW roof in 2006 and HVAC in 2000. Lots of storage and large closets in all bedrooms...this home has lots of character and charm is just waiting on your personal touch to make it a home. Aggressively priced to move quickly and help Buyer take advantage of low rates and 1st Time Homebuyers credit. Home may be eligible for 1/2 pt buy down for 1 yr - offer expires Nov. 30th. If square footage is important - MEASURE! For more information call Margaret Kilgallen 843-670-4035.
