This beautiful home has an open, spacious floor plan, vaulted ceilings, walk in closets, an office, and a sunroom. The bright, open kitchen has granite countertops and is loaded with cabinet space. The master bedroom has his and hers walk-in closets, a garden tub, a shower and a private water closet. The large, fenced back yard is great for guests or play. The location, only a block to a City of Charleston park that has tennis courts and a playground and to James Islands best pizza, Cibos, can't be beat. Your commute to town will be a breeze as there are no stoplights between you and MUSC. This home has too many great features to list here, come by and see the house yourself, you'll be glad you did! If square footage is important - MEASURE!! For more information call Beth Plante 843-270-7542
