Well established neighborhood on James Island

Subdivision: JAMES ISLAND - Clearview

Sq. Ft.: 1644

Bedrooms: 3

Baths: 2

This beautiful lakefront home is in move-in condition. It's location, Clearview, a well established neighborhood on James Island, can't be beat. The connector, boat landings and Folly Beach are all just a few minutes away. The large yard is beautifully landscaped and has 121ft of lakefront and mature, moss draped, live oak trees. The home is in tip top shape. It has new vinyl replacement windows. The bathrooms and kitchen have been completely updated with features like recessed lights and beautiful tile work. There are refinished hardwood floors in the bedrooms, and under the carpet in the master bedroom as well. The family room has a striking exposed brick wall and sliding doors which open to a deck. This is a lovely home, in a lovely location, ready for you to move into and enjoy. If square footage is important - MEASURE!! For more information call Beth Plante 843-270-7542.
